Dear Friend and Colleague,

As you may already know, Andrea Darvas is running for King County Superior Court,

Andrea Darvas will be an extraordinary Superior Court Judge. She has almost 22 years of courtroom experience, and she is a highly respected arbitrator and hearing officer. Andrea's fair-mindedness is so well known that she has the support of plaintiff's lawyers, defense lawyers, Democrats, Republicans, judges at all levels, and many other elected officials.

Andrea has devoted countless hours to improving our justice system, including service on more than 20 bar association committees. Andrea has made presentations at over 50 Continuing Legal Education seminars on issues relating to lawyer ethics, trial practice, pre-trial discovery, and tort and insurance law. She has volunteered her time in our schools, teaching students about our Constitution and legal system. Of note is Andrea's pro bono work for the Washington State Bar Association in *In re Halvorsen*, which resulted in an unequivocal opinion from the Washington Supreme Court stating that it is unethical for lawyers to begin sexual relationships with their clients.

Andrea is campaigning with great energy and enthusiasm. She is out almost every night, meeting people, shaking hands, and giving speeches. But she can't run a competitive campaign without the financial support of people like you. Your contribution of \$100 will pay for 30 yard signs. \$150 will pay for a strategically placed jumbo sign. \$300 will make it possible to mail 1,000 pieces of campaign literature to absentee voters (of whom there were 227,087 in last year's primary). \$500 will purchase an ad in a major newspaper.

Please use the enclosed envelope to make as generous a contribution as you can. Thank you very much. With your support and a well-informed electorate, Andrea will win!

Sincerely,

Lish Whitson
